MEGA

Caratteristica gamba metallica fissa con trave di supporto che offre un'ampia flessibilità di personalizzazione e la possibilità di comporre postazioni di lavoro dall'operativo al posto direttivo. I bordi dei piani sono arrotondati per rispondere ai più attuali criteri ergonomici.

Typical fixed metal leg with supporting beam to personalize and create working units, from operative to executive desks. The desk edges are rounded in accordance with the ergonomic criteria.

MEGA ypsilon

Condividere lo spazio di lavoro in perfetta armonia, comporre postazioni singole per ottenere risultati sempre migliori senza limitare l'autonomia operativa. Sharing the working place in perfect harmony, arranging single workstations to get always better results without limiting your way of working.

L'alta densità degli ambienti di lavoro può essere interpretata e risolta con soluzioni che definiscono un territorio individuale attraverso la costruzione di workstations con livelli di privacy differenziati e con piani ergonomici e sagomati.

The high density of people in the working places can be solved with workstations with different privacy levels and ergonomic, shaped desktops.
